Subject: RE: The Game Meats Company - Urgent Concerns & Correct Actions [SEC=OFFICIAL]

Hi Darren,

Thanks for the update. I have been receiving daily reports from Karl which indicate the animal welfare practices in place at the establishment are consistently compliant with requirements.

We received our first media enquiry today about the footage. It was from a Channel 7 journalist located in Albury. Possibly there may be a story on the local news tonight. I'm not sure if The Game Meats Company are a member of AMIC, but if they are then I would encourage contact with AMIC due to their experience in public relations regarding these incidents.

Regards
