³ The *State Administrative Tribunal (Conferral of Jurisdiction) Amendment and Repeal Act 2004* Pt. 5, the *State Administrative Tribunal Act 2004* s. 167 and 169, and the *State Administrative Tribunal Regulations 2004* r. 28 and 42 deal with certain transitional issues some of which may be relevant for this Act.

⁴ The *State Administrative Tribunal Regulations 2004* r. 32 and 50 read as follows:
“

32. Fish Resources Management Act 1994

- (1) In this regulation —
commencement day means the day on which the *State Administrative Tribunal (Conferral of Jurisdiction) Amendment and Repeal Act 2004* Part 2 Division 51 comes into operation.
- (2) If before the commencement day a tribunal established under the *Fish Resources Management Act 1994* section 152 has made a decision but has not given a notice under section 152(4) or (5) of that Act, the tribunal continues to exist for the purpose of complying with section 152(4) or (5), as if those subsections had not been replaced by the *State Administrative Tribunal (Conferral of Jurisdiction) Amendment and Repeal Act 2004* section 388.

50. Fish Resources Management Act 1994

- (1) In this regulation —
commencement day means the day on which the *State Administrative Tribunal (Conferral of Jurisdiction) Amendment and Repeal Act 2004* Part 2 Division 51 comes into operation;
Executive Director has the meaning given to that term in the FRM Act section 4(1);
the FRM Act means the *Fish Resources Management Act 1994*.
- (2) If a notice has been given under the FRM Act section 147(1)(f) in the period of 21 days before the commencement day, on or after the commencement day the notice is to be taken to state that the affected person may, under the FRM Act section 149, apply for a review of the decision.

- (3) If an affected person has —
- (a) objected to a proposal under the FRM Act section 149(1) before the commencement day but the Executive Director has not, before the commencement day, referred the objection to the Minister under section 149(4) of that Act; or
 - (b) objected to a proposal under the FRM Act section 149(1) before the commencement day but the Minister has not, before the commencement day, referred the objection to a tribunal under the FRM Act section 152,

the Executive Director must, on or after the commencement day, refer the objection to the State Administrative Tribunal and —

- (c) the objection is to be taken to be an application to that Tribunal under the Act section 42(1);
- (d) the affected person is to be taken to be the person applying to that Tribunal for review under the Act section 42(1);
- (e) the Executive Director is to give the affected person's objection to the executive officer of the Tribunal;
- (f) if the affected person has paid the fee payable on lodging the objection under the FRM Act section 149(1), that person is not required to pay an application fee for making an application for review to the State Administrative Tribunal;
- (g) for the purposes of the review under the Act, a reference in the FRM Act section 149 to a decision is to be taken to be a reference to the proposal the subject of the objection; and
- (h) for the purposes of the review under the Act, the Executive Director is to be taken to be the decision-maker.

”.

⁵ The *Machinery of Government (Miscellaneous Amendments) Act 2006* Pt. 8 Div. 5 reads as follows:

“

Division 5 — Transitional provisions

242. References to the Executive Director

- (1) After commencement, a reference in a written law that is, or is to be taken to be, to the Executive Director (as defined in the *Fish Resources Management Act 1994* as in force before commencement) is to have effect as if it had been amended to be a reference to the CEO (as defined in the *Fish Resources Management Act 1994* as in force after commencement).
- (2) Subsection (1) does not apply if a contrary intention appears or the context otherwise requires.

- (3) In this section —

commencement means the time at which section 232 comes into operation.

”.

⁶ The requirement to appoint an Executive Director was removed from the Act and references to the Executive Director were replaced by references to the CEO, see the *Machinery of Government (Miscellaneous Amendments) Act 2006* Pt. 8 Div. 3. Section 454 of that Act is a general transitional provision that applies to references to the Executive Director in written laws.

⁷ Footnote no longer applicable.
